Discount Available

NO FEES on your stone removal lot when you sell your diamonds to DG and the diamond bid exceeds the value of fees on that lot.

Ownership of Material

When tendering any material to Dillon Gage you certify and warrant that any property sold by you is owned by you and that you have the right to possess and sell it. Additionally, you attest that any material you tender to Dillon Gage is for the purpose of determination of value and purchase of the material.

Fees may change without notice due to sudden changes in market forces.
