### DESIGN

The reverse of each small gold coin portrays a kangaroo standing on a mound of grass with a sun and stylised trees as a backdrop. The reverse of the 1 kilo gold coin depicts the classic artistry of the iconic bounding kangaroo surrounded by rays of sunlight.

Each coin design also incorporates the inscription AUSTRALIAN KANGAROO, the 2019 year-date, the weight and purity and The Perth Mint's traditional 'P' mintmark.

The Jody Clark effigy of Her Majesty Queen Elizabeth II and the monetary denomination are shown on the obverse of each coin.

## AUTHENTICATION FEATURE

The reverse of the 1oz and 1 kilo coins includes a security feature in the form of a micro-laser engraved letter within each coin's AUSTRALIAN KANGAROO heading. It is only detectable under a magnifying glass.

## PRESENTATION

Each bullion coin is presented in a protective acrylic capsule.

## PRICING

Standard bullion coin premiums apply to wholesale distributors. No recommended retail prices are provided.
