The Australian Silver Bullion Coin Program offers investors a unique combination of quality, convenience and choice.

Every year, our design team creates original artistry for this stunning series. This year is no exception. Struck from 99.99% pure silver, the 2019 koala is available in 1 kilo and 1oz sizes.

Only 300,000 1oz coins will be released. No mintage limit applies to the 1 kilo coin, however production will close at the end of 2019 and The Perth Mint will declare the coin's official mintage.

Each coin in this program is issued as legal tender under the Australian *Currency Act 1965*.

DESIGN

The reverse of each coin portrays a koala sitting on the branch of a eucalyptus tree with gum leaves in the background. The inscription AUSTRALIAN KOALA, The Perth Mint's traditional 'P' mintmark, the 2019 year-date, and the weight and purity are also included in the design.

The obverse of each coin bears the new Jody Clark effigy of Her Majesty Queen Elizabeth II and the monetary denomination.

AUTHENTICATION FEATURE

Each coin's reverse includes a security feature in the form of a micro-laser engraved letter within the coin's AUSTRALIAN KOALA heading. It is only detectable under a magnifying glass.

PRESENTATION

Each bullion coin is presented in a protective acrylic capsule.

PRICING

Standard bullion coin premiums apply to wholesale distributors. No recommended retail prices are provided.
