These magnificent silver coins celebrate the Year of the Pig, one of 12 animals associated with the ancient Chinese lunar calendar.

The birth dates for people ruled by the Chinese Lunar pig include 1923, 1935, 1947, 1959, 1971, 1983, 1995, 2007 and 2019. Those born under the influence of this sign are said to be honest, loyal, sincere and generous, with a calm temperament.

No mintage limit applies to the 1 kilo, 10oz, 5oz, 2oz and 1/2oz coins. Except for the 1 kilo release, production of these coins will close at the end of 2019 when The Perth Mint will declare each coin's official mintage.

A maximum of 100 10 kilo coins will be produced on a mint-to-order basis. Similarly, production will close at the end of 2019, when the coin's mintage will be declared.

The Perth Mint will produce up to 300,000 1oz coins. Production will cease when the mintage is fully sold or at the end of the series, whichever comes first. Due to the low mintage of the 1oz size it is highly collectable and is sure to sell out fast.

Meticulously struck from 99.99% pure silver, the coins are issued as legal tender under the Australian Currency Act 1965.

DESIGN

The reverse of each coin features a representation of a domesticated or pet pig, which are typically pink with black markings, along with four piglets, amid stylised foliage. The Chinese character for 'pig' and the inscription 'Year of the Pig' appear in the design with The Perth Mint's traditional 'P' mintmark.

The Ian Rank-Broadley effigy of Her Majesty Queen Elizabeth II, the 2019 year-date, the monetary denomination, and the weight and fineness are shown on the obverse of each coin.

PRESENTATION

Each bullion coin is presented in a protective acrylic capsule.

PRICING
