These magnificent gold coins celebrate the Year of the Mouse, the first of twelve animals associated with the ancient Chinese lunar calendar.

Those born under the sign of the Chinese lunar mouse in 2020, 2008, 1996, 1984, 1972 and every 12th preceding year, are said to be smart, resourceful, adaptable and kind. Possessing a rich imagination and strong intuition, mice rely on quick wits and an enterprising nature to find opportunities for success in almost all endeavours.

No mintage limit applies to the 10oz, 2oz, 1/2oz, 1/4oz, 1/10oz, and 1/20oz coins. However, production will close at the end of 2020 when The Perth Mint will declare each coin's official mintage.

The Perth Mint will produce no more than 30,000 1oz coins. Production will cease when the mintage is fully sold or at the end of the series, whichever comes first. Due to the low mintage of the 1oz size it is highly collectable and is sure to sell out fast.

Meticulously struck from 99.99% pure gold, the coins are issued as legal tender under the Australian *Currency Act 1965*.

DESIGN

Each coin's reverse portrays a mouse climbing stalks of wheat. Also included in the design is the Chinese character for 'mouse', the inscription 'MOUSE 2020' and The Perth Mint 'P' mintmark.

The obverse of the coin depicts the Jody Clark effigy of Her Majesty Queen Elizabeth II, the 2020 year-date, the weight and fineness, and the monetary denomination.

AUTHENTICATION FEATURE

The reverse of the 1oz, 2oz and 10oz coins includes a security feature in the form of a micro-engraved letter within the design. It is only detectable under a magnifying glass.

PRESENTATION

Each bullion coin is presented in a protective acrylic capsule.

PRICING

Standard bullion coin premiums apply to wholesale distributors. No recommended retail prices are provided.
