DESIGN

The reverse of each small gold coin portrays an adult kangaroo on a grassed plain with a joey in the background. The marsupials are framed by native Australian grass trees. The reverse of the 1 kilo coin portrays the classic artistry of a bounding red kangaroo surrounded by rays of sunlight.

Each coin design also incorporates the inscription 'AUSTRALIAN KANGAROO', The Perth Mint's traditional 'P' mintmark, the 2020 year-date, and the weight and purity.

The Jody Clark effigy of Her Majesty Queen Elizabeth II and the monetary denomination are shown on the obverse of each coin.

AUTHENTICATION FEATURE

The reverse of the 1oz and 1 kilo coins includes a security feature in the form of a micro-laser engraved letter within each coin's 'AUSTRALIAN KANGAROO' inscription. It is only detectable under a magnifying glass.

PRESENTATION

Each bullion coin is presented in a protective acrylic capsule.

PRICING

Standard bullion coin premiums apply to wholesale distributors. No recommended retail prices are provided.
